

# The Blue School Council

---

Because change doesn't happen on its own

**These are the present Project Teams. If you would like to join one of these or start a new one – come and tell us about it at Mr Mantell's office or Ms French's office in Kennion.**

**Buddying Team** - We are friendly and supportive if you need us.

**Shelter Team** – We build shelters for everyone.

**Quiet Team** – For those of us that like a bit of quiet, we are making a good place to be..

**Future Trees & Orchard Team** – We are making our school and the world by planting trees for wildlife and people.

**Toilet Team** – Our toilets shouldn't be grotty and disgusting – we are making them better for everyone.

**Transport Team** – We are about making it safer and healthier to travel to school..we like bikes.

**Africa Link Team** – We are making a link with Africa and getting to know its people.

**Fitness Cuisine Team** – We want to put the word FUN into fitness and health – for everyone.

**Beautiful School Team** – Our school should be beautiful and inspiring to work in – we are here to make this happen with decoration and murals wherever we can.

**Dyslexia Support Team** - We want to help people who have dyslexia feel welcome and happy in our school and in schools across the World, and to help people to understand more about dyslexia.

**Fundraising Team** – we want to help the school community raise money for good causes, we organise Mufti Days.

**Waste, Recycling and Bins Team** – Our school could recycle loads of stuff – we are here to make it happen.

**Badger & Spoon Team** – We love our school having hens, we also want to encourage wildlife and build a new wildlife area.

**Fair Trade Team** – our job is to make our school completely Fair Trade.

**Year Reps Team** – We are the only team whose members are voted for. We stand up for what students feel.

**Aquarium Team** – Our mission is to fill the school with fish! (in aquariums!) and to make a great pond.

**Minibeasts and Reptiles Team** – we want to build a wonderful family of minibeasts and reptiles for all to enjoy.

**Garden and Growing Team** – We love to grow stuff and sell it.

**Energy Team** – We find fun ways of saving energy (and the planet!)

**Science Support Team** – We LOVE science and we want to make it even better at The Blue.

**Office Support Team** – We want the BSC office to be really useful for the teams.

### **Some new teams waiting to grow:**

**Blue Bow Fundraisers** – We are year 8's and we want to raise money for cancer help.

**New Office Team** – we will work with the PTA to build a lovely new place for the BSC.

**Children of Chernobyl Team** – We want to link up with the students in Chernobyl.

**New Kitchen Garden** – we want to help DT Food create a great kitchen garden.

**Radio Team** – The Blue School must have its own radio station...we will make it happen.

**Circus Skills Team** – We think everyone should juggle, ride a unicycle and tumble.

**Stationery Team** – We want to sell all the stuff you need for your lessons – but keep forgetting!
