

10th September 2019

Dear Parent/Carer

Y10 Key Stage 4 Induction Evening

Your son or daughter has just embarked upon an important and exciting stage of their schooling. Their success in the examination courses being followed over the next two years will play an important part in determining their future opportunities. As such, we hope we can work in partnership with you to ensure your child achieves their full potential.

We are pleased to begin the process by inviting you to attend a Key Stage 4 Induction Evening on Thursday 19th September from 18:00 to 19:30. The evening will begin in Kennion Hall before splitting into smaller groups for a series of 15 minute workshops focused on five different areas:

- The foundations for learning.
- 9-1. Examinations and grades.
- Emotion coaching.
- Succeeding in English, Maths and Science.
- Enrichment and Epraise.

The evening will be approached from a parent's perspective and, on this occasion, students are not required to attend. Complimentary refreshments will be available from 17:45 and throughout the evening.

We hope to see you there and look forward to working closely with you during Years 10 and 11.

Yours sincerely

Mr M Harvey
Deputy Headteacher
