

Art Scheme of Assessment 2018

Grade	1 - CONTEXT Students ability to explore, research, formulate and document ideas and opinion about the area of study.	2 - CREATIVITY Students ability to freely explore and experiment with the appropriate materials and area of study.	3 - TECHNICAL SKILLS Students ability to demonstrate the ability to use and master appropriate technique.	4 INDEPENDENT DEVELOPMENT Students ability to pursue the area of study and develop their ideas to a point of conclusion AND BEYOND
9.5 8.5	An exceptional ability to effectively develop ideas through creative and purposeful investigations. An exceptional ability to engage with and demonstrate critical understanding of sources.	An exceptional ability to thoughtfully refine ideas with discrimination. An exceptional ability to effectively select and purposefully experiment with appropriate media, materials, techniques and processes.	An exceptional ability to skilfully and rigorously record ideas, observations and insights through drawing and annotation, and any other appropriate means relevant to intentions, as work progresses.	An exceptional ability to competently present a personal and meaningful response and realise intentions with confidence and conviction. An exceptional ability to demonstrate understanding of visual language.
7.5 6.5	A highly developed ability to effectively develop ideas through creative and purposeful investigations. A highly developed ability to demonstrate critical understanding of sources.	A highly developed ability to thoughtfully refine ideas. A highly developed ability to effectively select and purposefully experiment with appropriate media, materials, techniques and processes.	A highly developed ability to skilfully record ideas, observations and insights through drawing and annotation, and any other appropriate means relevant to intentions, as work progresses.	A highly developed ability to competently present a personal and meaningful response and realise intentions with confidence and conviction. A highly developed ability to demonstrate understanding of visual language.
5.5 4.5	Student shows an advanced ability to clearly explore their ideas both visually and orally developing great understanding of the area of study	Student shows an advanced ability to freely experiment with the appropriate materials, developing exciting and original ways to explore the area of study	Student shows an advanced ability to master and develop the appropriate technique skillfully exploring the area of study producing high quality outcomes.	Student demonstrates and advanced level of confidence when working independently to develop their ideas to an original point of conclusion and beyond
3.5	Student is clearly competent in exploring and documenting the area of study with independence and originality.	Student shows an advanced ability to freely experiment with the appropriate materials, developing exciting and original ways to explore the area of study	Student confidently masters the appropriate technique and uses it to competently explore the area of study	Student shows confidence to independently develop their idea to a successful conclusion.
2.5	Student demonstrates a moderate ability to clearly explore and document area of study and formulate their ideas	Student demonstrates a moderate ability to creatively experiment with the appropriate materials and area of study	Student demonstrates a moderate ability to master the appropriate technique with moderate levels of success & improvement	Student shows a moderate ability to independently develop their ideas to a point of conclusion
1.5	Student demonstrates some ability and awareness to explore and document area of study	Student demonstrates some ability to explore and experiment with the appropriate materials and area of study	Student is able to demonstrate their technical skills with some level of success and improvement.	Student shows some independence and ability to develop their ideas to a point of conclusion with some success
