10 June		Paper 3 Germany Exam					

Further Information

- Students may request any exam questions from their teachers at any point. Once completed and handed to their teacher, these will be fully marked and handed back to students within 24 hours of completion.
- Breakfast (Croissants + Fruit Juice) Sessions will be running on the morning of each exam. More information to follow.
- Attendance to the Sunday Session is completely optional. Students in previous years have found it very beneficial. Students will need to sign up for these sessions nearer the time so that we can anticipate numbers.

Dear Parent/Carer,

January 2019

Please find overleaf an outline of the revision sessions being offered by the History Department in the lead up to your child's GCSE Examinations.

Revision

We have found in recent years that students who have attended the revision sessions in order to supplement the learning that we do in lessons tend to be more likely to meet or beat their target grades.

We have arranged the sessions so that students can attend at lunchtime or after school (or preferably both). We have also listed the topics of each session in order to help students manage their time and efforts in this busy period.

As you will see, we are also offering '*Revision Workshops*' in the lead up to the nearest to each exam. These will run from 10.00am - 1.00pm and 1.30pm - 4.30pm and are a superb opportunity for students to add to their notes and be refreshed on exam technique. Students who attended similar sessions last year found them hugely beneficial.

Practice Questions

History students are examined over three papers. In order to ensure that students are as comfortable as possible with the technique and requirements of the exam papers, we are happy to mark any practice questions that students complete whilst they are revising the different topics. We have a range of questions printed in the department, ready for students to collect if they would like to test themselves and their knowledge.

We maintain the promise that if students complete a practice question and hand it in, they will receive it back marked and with feedback 24 hours later.

Best wishes and thank you for your continuing support,

Mrs E Bridgman
Head of History
