

May 2019

Dear Parent/Carer,

Year 12 Summer Term

As we approach the summer I felt it was appropriate to inform you of some key events taking place over the coming weeks. The students have worked hard over the course of the year, and have settled into the Sixth form Centre well. It is amazing to think that we have had this for less than a year, it seems such an integral part of the school! The students should continue to work on subjects right up until the summer, and because there are no longer AS exams, this means that they can have more contact time with staff over the course of the year. Hopefully this will be reflected in their final exam grades. One of the key events taking place over the next few weeks will be the presentation evenings for the EPQ, which will take place in Milton Hall. Here you will be able to see the projects completed by students, and question them about their findings. It should prove to be a very informative evening, and I hope that as many of you as possible will be able to attend.

Key dates:

13th May – GCSE and A Level exams start.

21st May – EPQ presentation evening, Milton Hall 5.30pm-7.00pm

24th May – end of half term, school ends 3.15pm

3rd June – return to school

5th June – Year 12 reports issued to students

4th June – EPQ presentation evening, Milton Hall 5.30pm-7.00pm

28th June – Inset day

4th July – re-sit mock exams for identified students.

8th-12th July – enrichment week

10th July – Year 12 Beach trip

11th July – Futures' Day: focus on university applications and support

19th July - end of term, school ends 12.35pm.

15th August – A level exam results

22nd August – GCSE exam results

4th September – return to school, Year 13 starts!

We hope that you all continue to work hard, and put down the foundations for success in summer 2020.

Best wishes,

Sheila Jamieson
