

8th January 2019

Dear Parent/Carer

Non-Examined Assessment: Practical

As you are aware, our GCSE D&T Product Design (Fashion & Textile) students have commenced the making of their NEA coursework product. To ensure they meet the deadline of 19th February 2019 they have the opportunity to spend one whole school day in the textile workshop, in small groups and with my support.

The day will commence, after normal registration, at 9.05am and will end at 3.15pm or later, but by 5.00pm for those students who wish to continue with their practical after school. It is vital your daughter is fully prepared before their session to ensure productivity is effective, fabric must have been cut and all resources/components based on their final design idea must be available for use. Every year students worry about this day, but there is never any need to as they will enjoy the day, will learn much, and will benefit fully from it.

There will be some impact on other subjects (although very little) requiring your daughter to catch up on work missed. The table below identifies the dates which have been allocated. The decision as to which date your daughter will be asked to attend will be communicated to them personally and in time for transportation arrangements to be made if necessary. I am aware the drama exam is taking place and will ensure this will not be impacted upon when organising each group.

Group	Teacher	Tuesday 22 nd January	Wednesday 23 rd January	Thursday 24 th January	Friday 25 th January
11B/Tx1	RWE	X			
11DTx1	RWE		X		
11B/Tx1	RWE			X	
11B/D/Tx1	RWE				X

Thank you for your support and I hope to see you at the forthcoming parents' evening.

Yours sincerely

Rebecca Webster
Head of Food/Textiles
