

February 2019

Dear Parent/Carer,

Enrichment Week – 8th - 12th July

The Blue School are delighted to announce the launch of a brand new Enrichment Week which will run from 8th - 12th July 2019 and compliment Year 7 Camp. When students are not on camp they will have the chance to try new experiences and develop new skills in what will be an exciting week of the school calendar. The Blue School is committed to supporting your child with all aspects of their personal development. Enrichment Week offers your child an opportunity to participate in a wide range of activities and to work alongside other members of our community.

Please follow the guidelines below to book your child onto the Enrichment week:

1. Read the Enrichment Week options booklet with your child, which is available on the school website in the parent section.
2. Select your choices by clicking on the hyperlink at the end of the booklet and completing the Google form.
3. Students must select four activities in order of preference; regardless of whether they are in school for 2 or 3 days due to camp.
4. **Booking will open on Thursday 14th February 2019**
5. **Booking will close on Monday 25th February 2019**

Paper versions of the Enrichment Week options booklet will be available from Reception if you are unable to access the document online. You will see from the booklet that we have tried to ensure everyone has access to a balanced range of activities throughout the week. We strongly encourage the booking process to be completed as soon as possible and be done collaboratively between you and your child.

Please be aware that once the activity schedule for students has been finalised, changes will not be possible. Students should choose carefully in discussion with you as their parents/carers. Expectations regarding attendance remain the same as any school week.

We are looking forward to this week and the activities planned for our school community. Our aim is for it to be an exciting, memorable and rewarding week for your child where they experience new things, overcome challenges and have fun at the same time.

Thank you in advance for your support. Should you require any further clarification please contact me at school.

Yours Sincerely,

Mr S Higgins
PTL Enrichment + BSC
