

May 2019

Dear Parent/Carer

As part of an ongoing review of the school's curriculum provision, we have been keen to provide students with a greater opportunity to develop their command of a modern foreign language before the start of Year 10. From September 2019, Year 8 & 9 students will be specialising in one language. This will provide them with the opportunity to deepen their understanding of the subject and will mean they have a stronger foundation of knowledge if they choose to study it in Key Stage 4.

Your child will have the option to choose either French or Spanish. Teachers will be supporting students with the decision making process.

Please can you complete the form below as soon as possible and by Wednesday 5th June at the latest. Forms should be handed to language teachers or the MFL office. There is a small number of students who opt for two languages at GCSE and the school will continue to support students who wish to study both French and Spanish.

If you have any questions about the process, please contact your child's language teachers in the first instance.

Yours sincerely

Mr Max Harvey
Deputy Headteacher
